Financial Assistance

The Office of Financial Assistance supports UIW graduate students seeking the means to fund their education. Aside from students who receive reimbursement from their employer, the most common form of financial aid for graduate students are loans available from the federal government, often at a low interest rate. A limited number of assistantships are available each year.

To apply for financial assistance, graduate students must complete a Free Application for Federal Student Aid (FAFSA) and submit it to the federal processor. The FAFSA form can be obtained by contacting the Office of Financial Assistance at UIW. The results of the FAFSA will be used to determine your financial aid eligibility. The financial aid code for the University of the Incarnate Word is 003578.

For questions concerning financial assistance at UIW, please call the Office of Financial Assistance at (210) 829-6008 or 1-800-749-WORD, or refer to the website at www.uiw.edu/finaid.
