Application and Admission to the Teacher Certification Program (TCP)
- Upon completion of 60 credit hours, students are eligible and encouraged to apply to TCP.
- Applications are accepted once a semester
- Admission requirements include: 2.75 cumulative GPA, scores of at least 230 on all three sections of the THEA exam, a score of at least 30% on the Nelson-Denny Reading Test, recommendations from previous instructors, a writing sample, and a group interview. Education minors should meet with both their academic advisor and the advisor for education minors, Dr. Renea Fike (fike@uiwtx.edu), in the School of Education. Additional program information is presented in the Foundations of Education course.
