Revised 03/2017

SIB08

UIW offers a discount to families with multiple dependent siblings from the same household attending UIW. Only siblings who are simultaneously enrolled as full-time undergraduate students on the Main Campus may apply.

- **DEADLINES:** The Sibling Discount Application is due August 28, 2017 to be considered for Fall/Spring; and January 16, 2018, to be considered for Spring only.
- All siblings must be enrolled as full-time, undergraduate, Main Campus students. Discounts will **not** be applied until after census of each semester, when final enrollment is verified.
- Discount amount is \$1250 per approved semester for each sibling. (Each student must be simultaneously enrolled as a full-time undergraduate Main Campus student.)
- Funds can only be applied towards tuition. Students who have other UIW scholarships, UIW discounts and UIW grants may combine the awards as long as the total does not exceed full-time tuition. Discount cannot be applied with athletic scholarships or ROTC waivers, and may affect veterans benefits.
- Siblings must reside in the same household and be verified as dependents on the FAFSA application each year to qualify, since funds are meant to support families who have multiple children at UIW.
- Although not based on need, students must complete the FAFSA application and be classified as dependents to apply. Funds from the Sibling Discount may impact other funds that are need-based.
- Siblings must apply for the discount and the FAFSA every academic year. The discount may only be used during Fall and Spring semesters and is not applicable to the Summer semester.
- All siblings will be notified of the award adjustment through BannerWeb once this form is processed.

Please list all siblings who are Main Campus undergraduates enrolled full-time for Fall 2017 and/or Spring 2018:

Student One: Last Name	First Name	UIW Student ID Number
Student Two: Last Name	First Name	UIW Student ID Number
Student Three: Last Name	First Name	UIW Student ID Number
