

THE FACE OF

[affordability, innovation, quality]

TEXAS TODAY AND TOMORROW

At the University of the Incarnate Word, you can select from 70 affordable undergraduate, graduate and Ph.D. programs that include a global perspective and an emphasis on social justice and community service. UIW also features the Universe Online and the Adult Degree Completion Program (ADCaP), an accelerated evening studies program designed for working adults. UIW is one of the fastest growing private universities in the state with a diverse student body that truly reflects the face of Texas today and tomorrow.
