YOU WILL KNOW FELLOWSHIP

Ever since the Sisters of Charity of the Incarnate Word established the first hospital in San Antonio, UIW has encouraged the care of our friends and neighbors through healthcare careers. Whether you pursue a degree in nursing, optometry, physical therapy, or pharmacy, it’s our mission to inspire students to help the underserved and care for our community.

Healthcare students: Emily Wortham, Anthony Willett, Dalton Jennings, Rukhsar Banu and Vi Nguyen
