DIETARY RESTRICTIONS

OUR COMMITMENT

WE AIM TO ACCOMMODATE ANY DIETARY RESTRICTIONS YOUR STUDENT MAY HAVE, FROM CELIAC DISEASE AND LACTOSE INTOLERANCE TO NUT AND SHELLFISH ALLERGIES. OUR TEAM IS COMMITTED TO ENSURING THAT YOUR STUDENT'S DIETARY RESTRICTIONS ARE ONE LESS THING THEY HAVE TO WORRY ABOUT!

As part of this commitment, we train our staff during onboarding and annual employee orientations to ensure they understand how to accommodate students with dietary restrictions. We regularly audit our processes and take food safety seriously.

Should you or your student have concerns about the availability of foods that accommodate their restrictions, please reach out to our general manager or executive chef with your concerns.
